oad Co.

In New York City, Tuesday. He
 in his home in Syracuse to spend
 days with his niece, and waste good
 and spirits on Christmas, but Satur-
 ning his mental faculties were found
 received a shock and he continued
 till he died. He was one of the
 shed men of the country.

with night sweats, frequent hememesis, spious expectation, and much emaciation. The use of Fowler's Syrup of Hypophosphites seems to have arrested the progress of the disease almost immediately, the hememage has not returned, his appetite is excellent, and he is able to attend to his business as usual.

A. SMITH, M. D., Campbelltown, N. B.
